

Arizona Liability Insurance Law

and 2006 Cumulative Supplement

Comprehensive

Arizona Liability Insurance Law covers the full spectrum of liability insurance issues, including automobile, uninsured and underinsured motorist, homeowner's and commercial general liability insurance.

Authoritative

More than 1300 cases are cited throughout the book. The author discusses important, precedential and controversial decisions, including Darner Motor Sales, Helme, Calvert, & Van Nguyen. Where the Arizona courts have not yet considered an issue, the trend in the courts of other states is provided.

Substantive

Throughout the book, the author has provided factual background information on pertinent cases that illustrate important legal issues and the reasoning behind the courts' decisions.

Practical

In addition to the thorough discussion of the law, Steve Plitt includes helpful commentary, such as hypotheticals illustrating how to maximize benefits for your client where multiple coverages and multiple policies are available.
